

Hello there!

I'm Aditi Shastry!

Graphic Designer | Illustrator

With a crayon in hand and a twinkle in my eye, I started my journey of drawing through scribbles and doodles, to illustrations, analogue printing, animation and typography, which finally lead to a formal education in graphic design. Only now, The crayon is replaced by a cup of chai, helping me discover humor and stories from conversations of life.

DOB - 12. 02. 1997
